## Johanson Part Number 3550HP07B0500001T

| Johanson Part Number:<br>3550HP07B0500001T           | Johanson Company: JTI                     |
|--|---|
| Legacy P/N:<br>3550HP07B0500T                        | Size for Capacitors (EIA):<br>None        |
| Description: High Pass<br>Filters, , MHz, W, dB, , , | Specification Number: None                |
| Life Cycle Stage: EOL                                | NCNR: No                                  |
| AEC Q200 Qualified: No                               | Thickness (Max): None                     |
| Schedule B: None                                     | Thickness (Min): None                     |
| ITAR: No   | End Band(Min): None                       |
| ECCN: None   | End Band (max): None                      |
| RoHS Compliance: None                                | Standard Item: No                         |
| REACH: No  | Lead Time Typical (Weeks)*:               |
| Country of Origin: None                              | Length (Min): None                        |
| Product Family: Integrated Passive Components        | Length (Max): None                        |
| Product Subfamily: High Pass Filters                 | Width (Min):None                          |
| Capacitance Value: None                              | Width (Max): None                         |
| Cap Unit of Meas: None                               | Part Weight (mg): None                    |
| Tolerance: None                                      | Packaged Width (lb) Arm:<br>None          |
| Voltage: None  | Packaging: None                           |
| Dielectric Temp Coefficient:<br>None                 | Packaging Qty: None                       |
| Termination: None                                    | Operating Temp Range:                     |
| Marking: None  | Storage Temp Range (Packaged): None       |
| Product Release Date: None                           | Storage Temp Range (None Operating): None |

<sup>\*</sup>This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
