

# Johanson Part Number TDCP101G680K2GV001R

|                                                                                               |                                                                       |
|-----------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: TDCP101G680K2GV001R                                                     | Johanson Company: JDI                                                 |
| Legacy P/N: 101R14N680KV6R                                                                    | Size for Capacitors (EIA): 0603                                       |
| Description: Capacitors SMT, NP0/C0G, 0603, 100V, 68pF±10%, Ni/Sn (RoHS), 13" Reel Paper Tape | Specification Number: None                                            |
| Life Cycle Stage: EOL                                                                         | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                                        | Thickness (Max): 0.035                                                |
| Schedule B: 8532.24.00.20                                                                     | Thickness (Min): None                                                 |
| ITAR: No                                                                                      | End Band(Min): 0.01                                                   |
| ECCN: EAR99                                                                                   | End Band (max): 0.015                                                 |
| RoHS Compliance: Yes, RoHS 10/10                                                              | Standard Item: Yes                                                    |
| REACH: Yes                                                                                    | Lead Time Typical (Weeks)*: 12                                        |
| Country of Origin: US, MX, or CN                                                              | Length (Min): 0.055                                                   |
| Product Family: Capacitors                                                                    | Length (Max): 0.071                                                   |
| Product Subfamily: Capacitors Surface Mount < 500V                                            | Width (Min):0.024                                                     |
| Capacitance Value: 68.000                                                                     | Width (Max): 0.040                                                    |
| Cap Unit of Meas: pF                                                                          | Part Weight (mg): 8.00                                                |
| Tolerance: ±10%                                                                               | Packaged Width (lb) Arm: None                                         |
| Voltage: 100.0                                                                                | Packaging: 13" Reel Paper Tape                                        |
| Dielectric Temp Coefficient: NP0/C0G                                                          | Packaging Qty: None                                                   |
| Termination: 68                                                                               | Operating Temp Range: -55°C to +125°C                                 |
| Marking: EIA Mark                                                                             | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: Jan. 3, 2006, 8 a.m.                                                    | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.20                                                                  |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
