

# Johanson Part Number TDCP101W102M1NT001T

|                                                                                       |                                                                       |
|---------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: TDCP101W102M1NT001T                                             | Johanson Company: JDI                                                 |
| Legacy P/N: 101R14W102MT4T                                                            | Size for Capacitors (EIA): 0603                                       |
| Description: Capacitors SMT, X7R, 0603, 100V, 1000pF±20%, Ni/SnPb, 7" Reel Paper Tape | Specification Number: None                                            |
| Life Cycle Stage: Active                                                              | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                                | Thickness (Max): 0.035                                                |
| Schedule B: 8532.24.00.20                                                             | Thickness (Min): None                                                 |
| ITAR: No                                                                              | End Band(Min): 0.01                                                   |
| ECCN: EAR99                                                                           | End Band (max): 0.015                                                 |
| RoHS Compliance: No                                                                   | Standard Item: Yes                                                    |
| REACH: Yes                                                                            | Lead Time Typical (Weeks)*: 18                                        |
| Country of Origin: US, MX, or CN                                                      | Length (Min): 0.055                                                   |
| Product Family: Capacitors                                                            | Length (Max): 0.071                                                   |
| Product Subfamily: Capacitors Surface Mount < 500V                                    | Width (Min):0.024                                                     |
| Capacitance Value: 1000.000                                                           | Width (Max): 0.040                                                    |
| Cap Unit of Meas: pF                                                                  | Part Weight (mg): 8.00                                                |
| Tolerance: ±20%                                                                       | Packaged Width (lb) Arm: None                                         |
| Voltage: 100.0                                                                        | Packaging: 7" Reel Paper Tape                                         |
| Dielectric Temp Coefficient: X7R                                                      | Packaging Qty: None                                                   |
| Termination: 6                                                                        | Operating Temp Range: -55°C to +125°C                                 |
| Marking: No Mark                                                                      | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: Jan. 3, 2006, 8 a.m.                                            | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.20                                                          |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
