

# Johanson Part Number TDCT500G3R9D2NT001R

|                                                                                            |                                                                       |
|--------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: TDCT500G3R9D2NT001R                                                  | Johanson Company: JDI                                                 |
| Legacy P/N: 500R15N3R9DT6R                                                                 | Size for Capacitors (EIA): 0805                                       |
| Description: Capacitors SMT, NP0/C0G, 0805, 50V, 3.9pF±0.5pF, Ni/SnPb, 13" Reel Paper Tape | Specification Number: None                                            |
| Life Cycle Stage: Active                                                                   | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                                     | Thickness (Max): 0.050                                                |
| Schedule B: 8532.24.00.20                                                                  | Thickness (Min): None                                                 |
| ITAR: No                                                                                   | End Band(Min): 0.01                                                   |
| ECCN: EAR99                                                                                | End Band (max): 0.030                                                 |
| RoHS Compliance: No                                                                        | Standard Item: Yes                                                    |
| REACH: Yes                                                                                 | Lead Time Typical (Weeks)*: 20                                        |
| Country of Origin: US, MX, or CN                                                           | Length (Min): 0.070                                                   |
| Product Family: Capacitors                                                                 | Length (Max): 0.090                                                   |
| Product Subfamily: Capacitors Surface Mount < 500V                                         | Width (Min):0.040                                                     |
| Capacitance Value: 3.900                                                                   | Width (Max): 0.060                                                    |
| Cap Unit of Meas: pF                                                                       | Part Weight (mg): 24.00                                               |
| Tolerance: ±0.5pF                                                                          | Packaged Width (lb) Arm: None                                         |
| Voltage: 50.0                                                                              | Packaging: 13" Reel Paper Tape                                        |
| Dielectric Temp Coefficient: NP0/C0G                                                       | Packaging Qty: None                                                   |
| Termination: 6                                                                             | Operating Temp Range: -55°C to +125°C                                 |
| Marking: EIA Mark                                                                          | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: Jan. 3, 2006, 8 a.m.                                                 | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.20                                                               |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
