

# Johanson Part Number TDDD500G560M2GV001R

|                                                                                              |                                                                       |
|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: TDDD500G560M2GV001R                                                    | Johanson Company: JDI                                                 |
| Legacy P/N: 500R18N560MV6R                                                                   | Size for Capacitors (EIA): 1206                                       |
| Description: Capacitors SMT, NP0/C0G, 1206, 50V, 56pF±20%, Ni/Sn (RoHS), 13" Reel Paper Tape | Specification Number: None                                            |
| Life Cycle Stage: EOL                                                                        | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                                       | Thickness (Max): 0.050                                                |
| Schedule B: 8532.24.00.20                                                                    | Thickness (Min): None                                                 |
| ITAR: No                                                                                     | End Band(Min): 0.01                                                   |
| ECCN: EAR99                                                                                  | End Band (max): 0.030                                                 |
| RoHS Compliance: Yes, RoHS 10/10                                                             | Standard Item: Yes                                                    |
| REACH: Yes                                                                                   | Lead Time Typical (Weeks)*: 12                                        |
| Country of Origin: US, MX, or CN                                                             | Length (Min): 0.115                                                   |
| Product Family: Capacitors                                                                   | Length (Max): 0.135                                                   |
| Product Subfamily: Capacitors Surface Mount < 500V                                           | Width (Min):0.052                                                     |
| Capacitance Value: 56.000                                                                    | Width (Max): 0.072                                                    |
| Cap Unit of Meas: pF                                                                         | Part Weight (mg): 40.00                                               |
| Tolerance: ±20%                                                                              | Packaged Width (lb) Arm: None                                         |
| Voltage: 50.0                                                                                | Packaging: 13" Reel Paper Tape                                        |
| Dielectric Temp Coefficient: NP0/C0G                                                         | Packaging Qty: None                                                   |
| Termination: 68                                                                              | Operating Temp Range: -55°C to +125°C                                 |
| Marking: EIA Mark                                                                            | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: Jan. 2, 2006, 8 a.m.                                                   | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.20                                                                 |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
