

# Johanson Part Number TDDD500W272MZNT001B

|                                                                        |                                                                       |
|------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: TDDD500W272MZNT001B                              | Johanson Company: JDI                                                 |
| Legacy P/N: 500R18W272MT3                                              | Size for Capacitors (EIA): 1206                                       |
| Description: Capacitors SMT, X7R, 1206, 50V, 2700pF±20%, Ni/SnPb, Bulk | Specification Number: None                                            |
| Life Cycle Stage: Active                                               | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                 | Thickness (Max): 0.050                                                |
| Schedule B: 8532.24.00.20                                              | Thickness (Min): None                                                 |
| ITAR: No                                                               | End Band(Min): 0.01                                                   |
| ECCN: EAR99                                                            | End Band (max): 0.030                                                 |
| RoHS Compliance: No                                                    | Standard Item: Yes                                                    |
| REACH: Yes                                                             | Lead Time Typical (Weeks)*: 18                                        |
| Country of Origin: US, MX, or CN                                       | Length (Min): 0.115                                                   |
| Product Family: Capacitors                                             | Length (Max): 0.135                                                   |
| Product Subfamily: Capacitors Surface Mount < 500V                     | Width (Min):0.052                                                     |
| Capacitance Value: 2700.000                                            | Width (Max): 0.072                                                    |
| Cap Unit of Meas: pF                                                   | Part Weight (mg): 40.00                                               |
| Tolerance: ±20%                                                        | Packaged Width (lb) Arm: None                                         |
| Voltage: 50.0                                                          | Packaging: Bulk                                                       |
| Dielectric Temp Coefficient: X7R                                       | Packaging Qty: None                                                   |
| Termination: 6                                                         | Operating Temp Range: -55°C to +125°C                                 |
| Marking: Special                                                       | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: Jan. 2, 2006, 8 a.m.                             | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.20                                           |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
