

# Johanson Part Number VPEH602G270J2GV002B

|                                                                                              |                                                                       |
|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: VPEH602G270J2GV002B                                                    | Johanson Company: JDI                                                 |
| Legacy P/N: 602S48N270JV6+AQ                                                                 | Size for Capacitors (EIA): 2225                                       |
| Description: Capacitors HVS PME, 2225, NP0/C0G, 6000V, 27pF±5%, Ni/Sn (RoHS), Bulk, AEC Q200 | Specification Number: None                                            |
| Life Cycle Stage: Active                                                                     | NCNR: No                                                              |
| AEC Q200 Qualified: Yes                                                                      | Thickness (Max): 0.160                                                |
| Schedule B: 8532.24.00.20                                                                    | Thickness (Min): None                                                 |
| ITAR: No                                                                                     | End Band(Min): 0.01                                                   |
| ECCN: EAR99                                                                                  | End Band (max): 0.040                                                 |
| RoHS Compliance: Yes, RoHS 10/10                                                             | Standard Item: Yes                                                    |
| REACH: Yes                                                                                   | Lead Time Typical (Weeks)*: 18                                        |
| Country of Origin: US, MX, TW, or CN                                                         | Length (Min): 0.215                                                   |
| Product Family: Capacitors                                                                   | Length (Max): 0.235                                                   |
| Product Subfamily: Capacitors High Voltage SMD ≥ 500V                                        | Width (Min):0.240                                                     |
| Capacitance Value: 27.000                                                                    | Width (Max): 0.270                                                    |
| Cap Unit of Meas: pF                                                                         | Part Weight (mg): 590.00                                              |
| Tolerance: ±5%                                                                               | Packaged Width (lb) Arm: None                                         |
| Voltage: 6000.0                                                                              | Packaging: Bulk                                                       |
| Dielectric Temp Coefficient: NP0/C0G                                                         | Packaging Qty: None                                                   |
| Termination: 68                                                                              | Operating Temp Range: -55°C to +125°C                                 |
| Marking: EIA Mark                                                                            | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: Jan. 9, 2006, 8 a.m.                                                   | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.20                                                                 |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
