

# Johanson Part Number E3FP201B335LZJ1001W

|                                                                                                                |                                                                       |
|----------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: E3FP201B335LZJ1001W                                                                      | Johanson Company: JDI                                                 |
| Legacy P/N: 201E45B335LJ3W                                                                                     | Size for Capacitors (EIA): 3839                                       |
| Description: Capacitors SMPS E-Series - 3 chips, 3839, BX, 200V, 3.3 $\mu$ F $\pm$ 15%, "J" Leads, Waffle Pack | Specification Number: None                                            |
| Life Cycle Stage: Active                                                                                       | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                                                         | Thickness (Max): 0.437                                                |
| Schedule B: 8532.24.00.60                                                                                      | Thickness (Min): None                                                 |
| ITAR: No                                                                                                       | End Band(Min): None                                                   |
| ECCN: EAR99                                                                                                    | End Band (max): None                                                  |
| RoHS Compliance: No                                                                                            | Standard Item: No                                                     |
| REACH: Yes                                                                                                     | Lead Time Typical (Weeks)*: 24                                        |
| Country of Origin: MX or US                                                                                    | Length (Min): None                                                    |
| Product Family: Capacitors                                                                                     | Length (Max): 0.421                                                   |
| Product Subfamily: Capacitors SMPS E-Series PME - 3 chips                                                      | Width (Min):None                                                      |
| Capacitance Value: 3.300                                                                                       | Width (Max): 0.421                                                    |
| Cap Unit of Meas: $\mu$ F                                                                                      | Part Weight (mg): None                                                |
| Tolerance: $\pm$ 15%                                                                                           | Packaged Width (lb) Arm: None                                         |
| Voltage: 200.0                                                                                                 | Packaging: Waffle Pack                                                |
| Dielectric Temp Coefficient: BX                                                                                | Packaging Qty: None                                                   |
| Termination: 84                                                                                                | Operating Temp Range: -55°C to +125°C                                 |
| Marking: Special                                                                                               | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: None                                                                                     | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.60                                                                                   |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
