

# Johanson Part Number L3NM201W226MZJ2001W

|                                                                                                                                         |                                                                       |
|-----------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: L3NM201W226MZJ2001W                                                                                               | Johanson Company: JDI                                                 |
| Legacy P/N: 201P32W226MK3W-BME                                                                                                          | Size for Capacitors (EIA): 79148                                      |
| Description: Capacitors SMPS P-Series BME - 3 chips, 79148, X7R, 200V, 22 $\mu$ F $\pm$ 20%, "J" Leads with Reduced Height, Waffle Pack | Specification Number: None                                            |
| Life Cycle Stage: Active                                                                                                                | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                                                                                  | Thickness (Max): 0.425                                                |
| Schedule B: 8532.24.00.60                                                                                                               | Thickness (Min): None                                                 |
| ITAR: No                                                                                                                                | End Band(Min): None                                                   |
| ECCN: EAR99                                                                                                                             | End Band (max): None                                                  |
| RoHS Compliance: No                                                                                                                     | Standard Item: No                                                     |
| REACH: Yes                                                                                                                              | Lead Time Typical (Weeks)*: 24                                        |
| Country of Origin: MX or US                                                                                                             | Length (Min): 1.450                                                   |
| Product Family: Capacitors                                                                                                              | Length (Max): 1.535                                                   |
| Product Subfamily: Capacitors SMPS P-Series BME - 3 chips                                                                               | Width (Min):None                                                      |
| Capacitance Value: 22.000                                                                                                               | Width (Max): 0.870                                                    |
| Cap Unit of Meas: $\mu$ F                                                                                                               | Part Weight (mg): None                                                |
| Tolerance: $\pm$ 20%                                                                                                                    | Packaged Width (lb) Arm: None                                         |
| Voltage: 200.0                                                                                                                          | Packaging: Waffle Pack                                                |
| Dielectric Temp Coefficient: X7R                                                                                                        | Packaging Qty: None                                                   |
| Termination: 86                                                                                                                         | Operating Temp Range: -55°C to +125°C                                 |
| Marking: Special                                                                                                                        | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: June 12, 2006, 7 a.m.                                                                                             | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.60                                                                                                            |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
