

# Johanson Part Number TFCP201W332M1GV001E

|                                                                                                                                          |                                                                       |
|------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: TFCP201W332M1GV001E                                                                                                | Johanson Company: JDI                                                 |
| Legacy P/N: 201R14W332MV4E-BME                                                                                                           | Size for Capacitors (EIA): 0603                                       |
| Description: Capacitors Surface Mount BME < 500V, 0603, X7R cap, 200.0V, 3,300.00pF±20% cap, Ni/Sn (RoHS) cap, 7" Reel Embossed Tape cap | Specification Number: None                                            |
| Life Cycle Stage: Ramp down (active , but not recommended for new designs)                                                               | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                                                                                   | Thickness (Max): 0.035                                                |
| Schedule B: 8532.24.00.20                                                                                                                | Thickness (Min): None                                                 |
| ITAR: No                                                                                                                                 | End Band(Min): 0.01                                                   |
| ECCN: EAR99                                                                                                                              | End Band (max): 0.015                                                 |
| RoHS Compliance: Yes, RoHS 10/10                                                                                                         | Standard Item: Yes                                                    |
| REACH: Yes                                                                                                                               | Lead Time Typical (Weeks)*: 16                                        |
| Country of Origin: US, MX, or CN                                                                                                         | Length (Min): 0.055                                                   |
| Product Family: Capacitors                                                                                                               | Length (Max): 0.071                                                   |
| Product Subfamily: Capacitors Surface Mount BME < 500V                                                                                   | Width (Min):0.024                                                     |
| Capacitance Value: 3300.000                                                                                                              | Width (Max): 0.040                                                    |
| Cap Unit of Meas: pF                                                                                                                     | Part Weight (mg): 8.00                                                |
| Tolerance: ±20%                                                                                                                          | Packaged Width (lb) Arm: None                                         |
| Voltage: 200.0                                                                                                                           | Packaging: 7" Reel Embossed Tape                                      |
| Dielectric Temp Coefficient: X7R                                                                                                         | Packaging Qty: None                                                   |
| Termination: 68                                                                                                                          | Operating Temp Range: -55°C to +125°C                                 |
| Marking: No Mark                                                                                                                         | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: Jan. 3, 2006, 8 a.m.                                                                                               | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.20                                                                                                             |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
