

# Johanson Part Number VBCT631W682J1GV001E

|                                                                                                  |                                                                       |
|--------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: VBCT631W682J1GV001E                                                        | Johanson Company: JDI                                                 |
| Legacy P/N: 631R15W682JV4E-BME                                                                   | Size for Capacitors (EIA): 0805                                       |
| Description: Capacitors HVS BME, 0805, X7R, 630V, 6800pF±5%, Ni/Sn (RoHS), 7" Reel Embossed Tape | Specification Number: None                                            |
| Life Cycle Stage: Active                                                                         | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                                           | Thickness (Max): 0.055                                                |
| Schedule B: 8532.24.00.20                                                                        | Thickness (Min): None                                                 |
| ITAR: No                                                                                         | End Band(Min): 0.01                                                   |
| ECCN: EAR99                                                                                      | End Band (max): 0.030                                                 |
| RoHS Compliance: Yes, RoHS 10/10                                                                 | Standard Item: Yes                                                    |
| REACH: Yes                                                                                       | Lead Time Typical (Weeks)*: 16                                        |
| Country of Origin: US, MX, TW, or CN                                                             | Length (Min): 0.070                                                   |
| Product Family: Capacitors                                                                       | Length (Max): 0.090                                                   |
| Product Subfamily: Capacitors High Voltage SMD ≥ 500V                                            | Width (Min):0.040                                                     |
| Capacitance Value: 6800.000                                                                      | Width (Max): 0.060                                                    |
| Cap Unit of Meas: pF                                                                             | Part Weight (mg): 12.00                                               |
| Tolerance: ±5%                                                                                   | Packaged Width (lb) Arm: 0.25                                         |
| Voltage: 630.0                                                                                   | Packaging: 7" Reel Embossed Tape                                      |
| Dielectric Temp Coefficient: X7R                                                                 | Packaging Qty: 3000                                                   |
| Termination: 68                                                                                  | Operating Temp Range: -55°C to +125°C                                 |
| Marking: No Mark                                                                                 | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: Jan. 3, 2006, 8 a.m.                                                       | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.20                                                                     |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
