

# Johanson Part Number VBDV631W124K1GF001B

|                                                                                                    |                                                                       |
|----------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------|
| Johanson Part Number: VBDV631W124K1GF001B                                                          | Johanson Company: JDI                                                 |
| Legacy P/N: 631S49W124KF4-BME                                                                      | Size for Capacitors (EIA): 1825                                       |
| Description: Capacitors HVS BME, 1825, X7R, 630V, 0.12 $\mu$ F $\pm$ 10%, Polyterm Sn (RoHS), Bulk | Specification Number: None                                            |
| Life Cycle Stage: Active                                                                           | NCNR: No                                                              |
| AEC Q200 Qualified: No                                                                             | Thickness (Max): 0.140                                                |
| Schedule B: 8532.24.00.20                                                                          | Thickness (Min): None                                                 |
| ITAR: No                                                                                           | End Band(Min): 0.01                                                   |
| ECCN: EAR99                                                                                        | End Band (max): 0.040                                                 |
| RoHS Compliance: Yes, RoHS 10/10                                                                   | Standard Item: Yes                                                    |
| REACH: Yes                                                                                         | Lead Time Typical (Weeks)*: 18                                        |
| Country of Origin: US, MX, TW, or CN                                                               | Length (Min): 0.170                                                   |
| Product Family: Capacitors                                                                         | Length (Max): 0.190                                                   |
| Product Subfamily: Capacitors High Voltage SMD $\geq$ 500V                                         | Width (Min):0.240                                                     |
| Capacitance Value: 0.120                                                                           | Width (Max): 0.260                                                    |
| Cap Unit of Meas: $\mu$ F                                                                          | Part Weight (mg): None                                                |
| Tolerance: $\pm$ 10%                                                                               | Packaged Width (lb) Arm: None                                         |
| Voltage: 630.0                                                                                     | Packaging: Bulk                                                       |
| Dielectric Temp Coefficient: X7R                                                                   | Packaging Qty: None                                                   |
| Termination: 70                                                                                    | Operating Temp Range: -55°C to +125°C                                 |
| Marking: No Mark                                                                                   | Storage Temp Range (Packaged): -65°C to +125°C                        |
| Product Release Date: Jan. 10, 2006, 8 a.m.                                                        | Storage Temp Range (None Operating): +5°C to +40°C with RH 20% to 70% |
| Harmonization: 8532.24.00.20                                                                       |                                                                       |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
